

## CALL FOR PAPERS

The editors of the **European Data Protection Law Review (EDPL)**, a new pan-European publication designed to explore the legal and policy challenges of the EU data protection framework, invite you to contribute to the upcoming issues of our journal.

### Content and Form

The **EDPL** provides a practical and intellectual forum to discuss, comment, and review all issues raised by the development and implementation of data protection law and policy in the EU Member States. The journal reports on key legislative developments and addresses relevant legal, regulatory, and administrative challenges in EU Member States and institutions. The **EDPL** will identify and analyse important case law that shapes the interpretation and application of EU law in this field, including decisions by the European Courts, international courts, and higher national courts.

In **2017**, each issue of EDPL will feature a special focus, although contributions on other topics are also welcomed. The special focus for Issue 1/17 is Big Data; Issue 2/17 - Smart Applications; Issue 3/17 - Law Enforcement; Issue 4/17 - Young Scholars Award.

All contributions will be subject to double blind peer-review before acceptance for publication. To guarantee **EDPL's** high-quality standards, all submissions are required to conform to the author guidelines available at:
