

CALL FOR PAPERS

The **European Pharmaceutical Law Review (EPLR)** is the one-stop forum for analysis of pharmaceutical law and policy developments in the EU and its Member States. With a balanced offer of lead article, country and thematic reports, case notes and an overview of legal and regulatory updates, **EPLR** is a must-read for both practitioners and academics.

Content and Form

Contributors to the journal report on key legislative developments in the EU and the Member States, and identify and analyse important judgments that shape the interpretation and application of EU pharmaceutical law. For the issues of **EPLR** in 2017, we welcome submissions of **articles, country or policy reports** and **case annotations** on, but not limited to, the following topics:

- Pharmaceutical law and policy (regional, national, international);
- Commission decisions (EMA opinions) and regulatory guidelines;
- National EU, and International Jurisprudence;
- Medical devices;
- Borderline cases: pharmaceuticals/food/cosmetics/chemicals
- Patents /Trademarks;
- Health Technology Assessment and pricing/reimbursement
- Digital health/Big data

All contributions will be subject to double blind peer-review before acceptance for publication and are required to conform to the author guidelines available at: www.lexxion.eu/eplr/author-guidelines

Deadlines for Submission

- Issue 1/2018: 1 November 2017
- Issue 2/2017: 1 February 2018
- Issue 3/2017: 1 May 2018

Contributions may be submitted after the published deadlines, by arrangement with the editor. All submissions should be in British English and conform to the OSCOLA style of referencing.
