

CALL FOR PAPERS

European Procurement & Public Private Partnership Law Review. The editors of the **pan-European journal** dedicated to **public procurement** and **PPPs** cordially welcome submissions for the forthcoming issues, published online and in print. Since 2006 **EPPPL** has been developing into the leading platform for **academics**, **policy-makers** and **practitioners** to share and sharpen their expertise in **public procurement** and **PPP law**.

Content and Form

Acknowledging the growing importance of **European Procurement & PPP**, emerging as an independent and indispensable branch of EU law, **EPPPL** editors accept submissions solely related to this topic. In particular, **EPPPL** editors seek for following types of contributions:

ARTICLES | CASE NOTES | OPINIONS | BOOK REVIEWS | COUNTRY REPORTS

Submission does not guarantee publication. All manuscripts will be subject to **double-blind peer-review** prior to publication and are required to conform to the author guidelines available at:
